# Lighthouse report is 39% for Company page, Mobile

+ Add

@ Apps

To Do

⚡ Actions

Description

Lighthouse Mobile report in xAI website Company module is 39%

Expected result - 100%

Actual result - 39%

The screenshot displays a Lighthouse performance report. At the top, a 'Diagnose performance issues' section shows four metrics: Performance (39%), Accessibility (92%), Best Practices (93%), and SEO (100%). Below this, the 'PageSpeed Insights' section features a large orange circle with the number '39' inside, representing the Performance score. Text below the circle states: 'Performance', 'Values are estimated and may vary. The performance score is calculated directly from these metrics. See calculator.', and a legend for the score ranges: 0-49 (red triangle), 50-89 (orange square), and 90-100 (green circle). A small image of a smartphone screen is shown at the bottom of the report.
