3. Verify that the error messages for the missing required fields appear.

1. Open the job application form.
2. Fill in the First Name and Last Name fields with valid data.
3. Enter an invalid email (e.g., "invalid-email.com") in the Email field.
4. Click the "Enter manually" button for the Resume field and add fake text.
5. Click the Submit button.
6. Verify that the error message for the invalid email format appears.

1. Open the job application form.
2. Fill in the First Name and Last Name fields with valid data and the text.
5. Click the Submit button.
6. Verify that the error message for the invalid email format appears.
1. Open the job application form.
2. Fill in the First Name and Last Name fields with valid data.
3. Enter a valid email (e.g., "valid-email@example.com") in the Email field.
4. Click the "Enter manually" button for the Resume field, and leave the text field blank (do not add any text).
5. Click the Submit button.
6. Verify that the error message for the missing resume appears.
1. Open the job application form.
2. Fill in the First Name and Last Name fields with valid data.
3. Enter a valid email (e.g., "valid-email@example.com") in the Email field.
4. Click the "Enter manually" button for the Resume field, and leave the text field blank (do not add any text).
5. Click the Submit button.
6. Verify that the error message for the missing resume appears.
1. Open the job application form. The error messages are displayed, indicating that fields are mandatory for form submission. The system should display error messages for each missing required field. PASS TC\_N\_021 Careers The system displays the error message indicating that the email format is invalid. The system should show an error message indicating that the email format is invalid. Careers PASS TC\_N\_022 The system displays an error message indicating that the resume is required. The system should show an error message indicating that a resume is required. TC\_N\_023 PASS Careers 6. Verify that the error message for the missing resume appears.

1. Open the job application form.

2. Fill First Name and Last Name with invalid symbols (!@#\$%^&\*).

3. Fill Email with a valid address (valid.email@example.com).

4. Click Enter manually for Resume, add some fake text, then fill What exceptional work...

5. Click the Submit button.

6. Email-verification step appears: enter an incorrect 8-digit code.

7. Verify that the "Verify" (Submit) button is disabled when the code is wrong.

1. Open the job application form.

2. Fill in First Name, Last Name, Email, and "What exceptional work have you done?" with valid data.

3. Click Upload resume, attach a .exe file.

4. Click Submit.

5. Verify that an error message appears under the Resume field. Rather than navigating to confirmation, the email verification prompt appears and, when an invalid 8-digit code is entered, the "Submit" button remains disabled. BR\_N\_024 Verify Error for Invalid First and Last Name (Symbols) and Secure-Code Handling TC\_N\_024 PASS Careers A resume-error appears after submitting, and the form remains on the application page.
